# RAISE MONEY FOR YOUR SCHOOL WITH US!

My Nametags has a simple & easy fundraising programme which gives schools 24% commission of the total number of orders.

## STEP 1: Find your School ID

A School ID is essential for us to link an order to the correct school. It is important for the school to ensure parents are using the school ID when placing an order. The School ID does not expire, no need to get a new one every year!

To get your unique ID just email the name, address & phone number to [info@mynametags.ie](mailto:info@mynametags.ie)

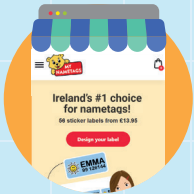

## STEP 2: Spread the word

Once you have your ID, you should start promoting it. We recommend you to introduce the fundraising programme to parents in different ways such as:

- Distribute the leaflets in this pad to parents and/or display on your noticeboard. We are also happy to send out more leaflets at no cost.
- Mention this programme in the school email newsletters.
- Add link on the school website: A direct link will mean parents don't even have to add the ID, it's already done for them!

## STEP 3: Order online

Ordering online is easy and quick. Parents should just follow the simple steps on our website to create their labels from thousands of possible design options. When happy with their choice, parents should proceed to the checkout where they will be asked to enter the School ID.

## STEP 4: Receive your bank transfer

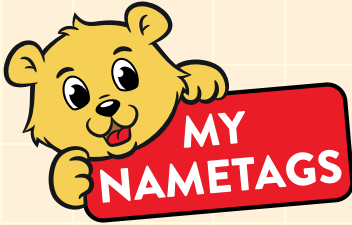

Your school, nursery or PTA will get 24% commission of the total number of orders. Once a year, the commission is paid by bank transfer subject to a minimum of €40. This money can go towards new projects or improvements in your school.
